

Network School KS4 Long Term Curriculum Plan

Subject GLOBAL PERSPECTIVES				
Year Group	Term 1	Term 2	Term 3	Term 4
Year 10	<p>Learning skills</p> <p>Pupils will develop their enquiry skills by selecting and researching a topic. Pupils will develop a range of skills by learning how to research information, develop enquiry questions, reflect on facts and opinions, understand a range of perspectives, develop outcomes, present and take action through effective communication.</p>	<p>Advancing Skills</p> <p>In this unit pupils will learn how to break down large issues and explore consequences, urgency, severity and perspectives. They will learn how to cross check facts, evaluate sources and develop a line of reasoning based on evidence.</p>	<p>Imbedding skills</p> <p>Pupils will develop their own research question for a research report. Pupils will set SMART targets and develop skills in multi-media presentations. Pupils will start to research and develop a plan for term 4 where they will put together the group element of the IGCSE.</p>	<p>Advancing skills - Group project</p> <p>In this unit pupils will complete the group project. They will reflect on how the skills they have learnt will help them to develop an active project which will be based on research into one topic area.</p>
Year 11	<p>Imbedding skills - Individual report</p> <p>They will use their skills</p>	<p>Imbedding skills Compulsory component 1 - Individual report</p>	<p>Revision and Exam practice</p> <p>Pupils will prepare for the written paper. Pupils will be</p>	<p>Revision and Exam practice</p> <p>Pupils will prepare for</p>
