Dear Parents

Re: Christmas Concerts

We warmly invite all parents to our annual Christmas Concerts. We have organised these so that parents who have children in the different phases of Network International School can attend their children's Christmas events. The dates and times of each production are given below.

We would like to remind you of the traffic and parking difficulties, particularly at the Bahan Campus and would be grateful for your support. In order to provide sufficient parking spaces for the Primary concerts, we will need to use our parking strategy employed at the end of the school day and therefore cars will have to be parked in close proximity rows and there will be delays in leaving at the end of each concert. We therefore strongly suggest that as many parents as possible use "carpooling" arrangements or even preferably to be dropped off and picked up by drivers.

The Early Years concerts will require the use of the main car park and the sanded area in the school. Once your car is parked it will not be possible to leave until 11:00.

We recognise that there will be a number of Primary students who have siblings in different year groups. For example, a Year 2 student may have a Year 4 sibling and, therefore, we are putting in place a special arrangement for the nights of the concerts. If a sibling of a child not in school is going to attend the Concert with their parents we will provide an activity for these students between 15:00 and 16:30 after which parents will need to take responsibility for their child in the Primary Hall whilst preparations are arranged for the start of the concert. To support this there will be no extra-curricular clubs during the week commencing 10 December.

The Primary Concerts will be taking place on the sports pitch so parents may wish to bring along a blanket to sit on the sports pitch and benches will also be provided for seating around the pitch. Please be advised that we would be grateful if no high heels are worn. The primary choir will also be performing a range of songs prior to each primary show.

Thursday 06 December	18:00	7 Mile Campus	Secondary Performance of 'Back to 80's'
The Secondary performance of 'Back to the 80s' will commence at 18:00. Students and parents should arrive at 17:15 when tea, coffee & cake will be served prior to the show. The Concert will last for approximately one and a half hours.
