2 February 2017

Dear Parents

## Plant Hunt – Year 1

As part of our next topic “Plants” in Knowledge & Understanding of the World, over the next week we will be taking the children out in small groups for a walk around the area close to the school. This is to look at the different plants. The children will therefore have an awareness of the different plants in their local area and begin to be able to identify and name them independently. The children will not be touching or collecting any of these plants and part of our learning will discuss the dangers of touching unknown plants.

Please complete and return the permission slip below as soon as possible.

Many thanks in advance.

Teacher Nancy, Teacher Sally, Teacher Sophie

The Year 1 Team
