13 March 2020

Dear Parent

Thank you for all your recent support with regard to the COVID-19 situation, it is very much appreciated.

With the Thingyan holidays approaching and to keep everyone at Network healthy over the coming months the following will apply when we return at the start of Term 4:

1. Any student who has visited a Category 1 country should self-isolate for 14 days and return to school on Monday 05 May 2020.
2. If you are travelling to a Category 2 country you should ascertain the latest information before departure and take all reasonable precautions. If the country is designated Category 1 before the holiday and students travel then the 14 days self-isolation above applies.
3. If a student develops any of the symptoms of COVID-19 over the Thingyan holidays they should seek medical advice and self-isolate for 14 days.
4. As we are a UK school we are taking our guidelines from the following website: [www.gov.uk](http://www.gov.uk)  
As of 13 March the current Category 1 & 2 countries are given below and you can use the link above to check for updates.

Category 1 countries/areas	Category 2 countries/areas
Wuhan City & Hubei Province (China)	Cambodia
Iran	China (except areas of the country specifically referred to in Category 1)
South Korea (Daegu & Cheongdo)	Hong Kong
Italy	Italy (except areas of the country specifically referred to in Category 1)
	Japan
	Laos
	Macau
	Malaysia
	Myanmar
	Republic of Korea (except areas of the country specifically referred to in Category 1)

At school, we are continuing to take temperatures, maintain our stringent cleaning routines and ensure students wash their hands thoroughly and make good use of the hand sanitizers in and around the school. We are also not participating in any trips or sports events for the rest of this term and staff have been given travel advice for the forthcoming holiday.

Thank you once again for your support, and I wish you a pleasant holiday.

Yours sincerely
