

## Network International School Primary Home Learning Guide

Our Primary Home Learning Programme aims to provide all students with access to high quality resources and activities, that are active, creative, child centered, holistic and individually tailored to their developmental needs. We follow the same rigorous curriculum goals and content designed for on campus learning, with the incorporation of both synchronous and asynchronous learning opportunities.

At Network International School, we set high expectations for all our students and expect that they will fully engage with the activities and learning materials to the best of their abilities.

This guide will explain the format and expectations of Home Learning in the Primary school. Should you need further clarification please do not hesitate to email your child's class teacher.

### Online Learning Tools

In the Primary School our Home Learning Programme utilises several key online learning tools.

<u>Online Tool</u>	<u>Purpose</u>
	<ul style="list-style-type: none"><li>Resources and activities shared with students before 8.00pm the day before.</li><li>Students upload completed work and reflections.</li><li>Teachers provide ongoing feedback.</li><li>Live lessons held via Zoom video conferencing.</li></ul>
	<ul style="list-style-type: none"><li>Tutor time conducted over video conferencing.</li><li>Teacher provide live ongoing support and help.</li></ul>
 Email	<ul style="list-style-type: none"><li>Zoom meeting invites emailed to parents before 8.00pm the day before.</li><li>Additional support offered via email if required.</li></ul>

Home Learning in Years 1 & 2

Students will undertake a revised timetable that carefully balances learning and screen-time requirements of younger students. Key information:

- Subjects will include a variety of online and offline learning activities utilising the “All, Most & Some” success criteria. These will be uploaded to SeeSaw before 8.00pm the day before.
- Invitations to subject Zoom meetings will be sent to the parent’s email before 8.00pm the day before.
- Ongoing teacher feedback will be given via SeeSaw using the WWW and EBI format.
- Students are expected to complete all tasks and activities by the end of each school day.
- If a task or activity is taking significantly longer than the intended timeframe please let the group teacher know.

### **Role of the Parents**

Parents play a key role in the successful implementation of the Home Learning Programme. This may include:

- Reading through and discussing teacher feedback with their child.
- Helping (where needed) children connect to video conferencing.
- Supporting students to keep track of the work to be complete and manage their time.
- Providing emotional support and helping their children maintain high levels of motivation.

### **Role of the Teachers**

Our Teachers are here to support you and your child to ensure they continue to grow and succeed. This will occur through:

- Planning of age appropriate learning experiences, activities and resources to support student's learning in line with the National Curriculum.
- Develop activities which will consolidate and extend learning.
- Answer any questions you or your child may have about the activities assigned.
- Provide ongoing feedback on submitted work.
